Jandakot Primary School
Contributions and Charges 2027

The Jandakot Primary School Board has endorsed the schedule of Contributions and Charges for 2027:

1. Voluntary Contributions

The contribution requested from parents/carers is **$60.00 per child**, which equates to **$1.50 per school week** per year. Money collected is used directly for your child's education and supplements funding from other sources, including the State and Federal Governments.

These contributions will be used to provide additional resources for children to use, such as:

- Student resources
- Photocopy materials
- ICT/digital resources
- Web-based curriculum materials
- Supplementary materials for all learning areas

We appreciate full or partial payment, and encourage periodical payments if you prefer:

- $30.00 per semester
- $15.00 per term
- $5.00 per month

Payment Options:

- Directly to Campion when placing your Personal Items order. **This is the school's preferred option**.
- Direct Deposit to the school bank account***: Bank details are available in Compass in School Documentation* – please use your child's name and VC as the reference.** Please pay for multiple children with one total deposit where possible.
- Cash/Cheque Payment: via the drop box in the school office. Please complete a payment envelope and enclose the correct amount. You can pay for multiple children and/or charges in the one envelope. Please ensure all sections of the payment envelope are completed clearly.

Your decision to support the school's endeavours through payment of the voluntary contribution is greatly appreciated. Payments can be made from two months before the start of the school year; from 1 December.

Payment at the beginning of the school year or as soon as possible enables optimal resource provision and benefits within that year.

2. Items for Personal Use in the Education Program

Please refer to the Personal Items List for 2027, which has been provided by Campion. The school has obtained competitive prices from the supplier and has chosen the option of further product price reductions in lieu of the school being paid a rebate. Items on the lists are selected by teachers as best value and quality. Parents may purchase from any supplier they choose.

Please note - individual classroom teachers may require additional items to be purchased up to the value of $30 per child.

CARS & STARS Workbooks

All Pre-primary to Year 6 students will require both the *CARS* and *STARS* workbooks as part of the literacy comprehension program, at a total cost of $39.35. The school will assess and distribute the appropriate level books within the classroom. Payment is required prior to issue and is made:
