

## Connect Now app is Available!!

We are very excited to announce the launch of the new and improved Connect Now app.

**The new Connect Now app is available now!**

Make sure you update to the latest version or, if you don't have it yet, download it from the [Apple Store](#) or [Google Play Store](#).

**The new and improved features include:**

- **Logging In** - Use the familiar single-sign-on page and stay logged in for a longer period.
- **All Connect features** - Access all your Notices, Submissions, the Library and Learning content in one single app.
- **Navigation Toolbar** - Located at the bottom of the app to accommodate different mobile screen sizes, the buttons allow you to refresh the page and move back to a previous page.
- **My Feed** - Access all Notices and Discussion in any of the classes and communities you are associated with through a new tab at the top of the screen.
- **Notification list** - View all the Notices and Discussions relevant to you in one convenient place by tapping on the bell icon in the top right corner.
